In case of Login With OTP

The image shows a mobile app login screen with a light purple background. A white card in the center contains the title "Login to Continue" in bold black text. Below the title are two buttons: "Login with QR" in blue and "Login with OTP" in purple. The "Login with OTP" button is selected. Below these buttons is the instruction "Enter the OTP sent to your registered number". A text input field with a purple border contains the number "7011". At the bottom of the card is a purple button labeled "Verify OTP".
